

Housing Options Best Practices Forum

*Do you work with people with disabilities who need help finding housing?
Finding housing that works for people experiencing homelessness or leaving
group settings can be challenging.
Come learn about resources and tools to help you successfully connect the
people you work with to the housing they choose.*

What will I learn?

- Funding, resources, programs and effective strategies to help people with disabilities move to more integrated housing of their choice
- Ideas, resources and success stories from your peers

Who should attend?

Anyone interested in learning more about housing options for people with disabilities, particularly...

- County and tribal case managers and social services staff
- Outreach, services and housing providers
- State Human Services, Housing Finance and Corrections staff

Mark your calendar for these 2015 sessions.

Sessions will be held at DHS (444 Lafayette) and via ITV at county sites from 1:30-3:30pm on:
