## Fraser Community Living Programs

Finding housing can be difficult for individuals with special needs. Maybe they've been living at home, but are ready to move out on their own. Or perhaps they have reached adulthood, but still need some support at home. Fraser can help.

Fraser Community Living offers three different living options for teens and adults with special needs: Supervised Living, Supportive Living and Independent Living. These distinct housing options are as unique as the people who live there. Our goal is to provide just enough support to ensure they can live comfortably on their own.

# DHS Housing and Support Services Division

- Many (but not all) of the DHS resources that pay for or support people to find and keep housing.
- Examples:
  - Income Supplements
    - Housing Support, Minnesota Supplemental Aid, MSA Housing Assistance, General Assistance
  - New Housing Stabilization Services
  - SOAR/SSI Advocacy
  - Infrastructure, expertise, and service grants
  - Section 811
  - Housing Benefits 101 (HB101)

# What is HB101 Places?

- **Real-time openings**

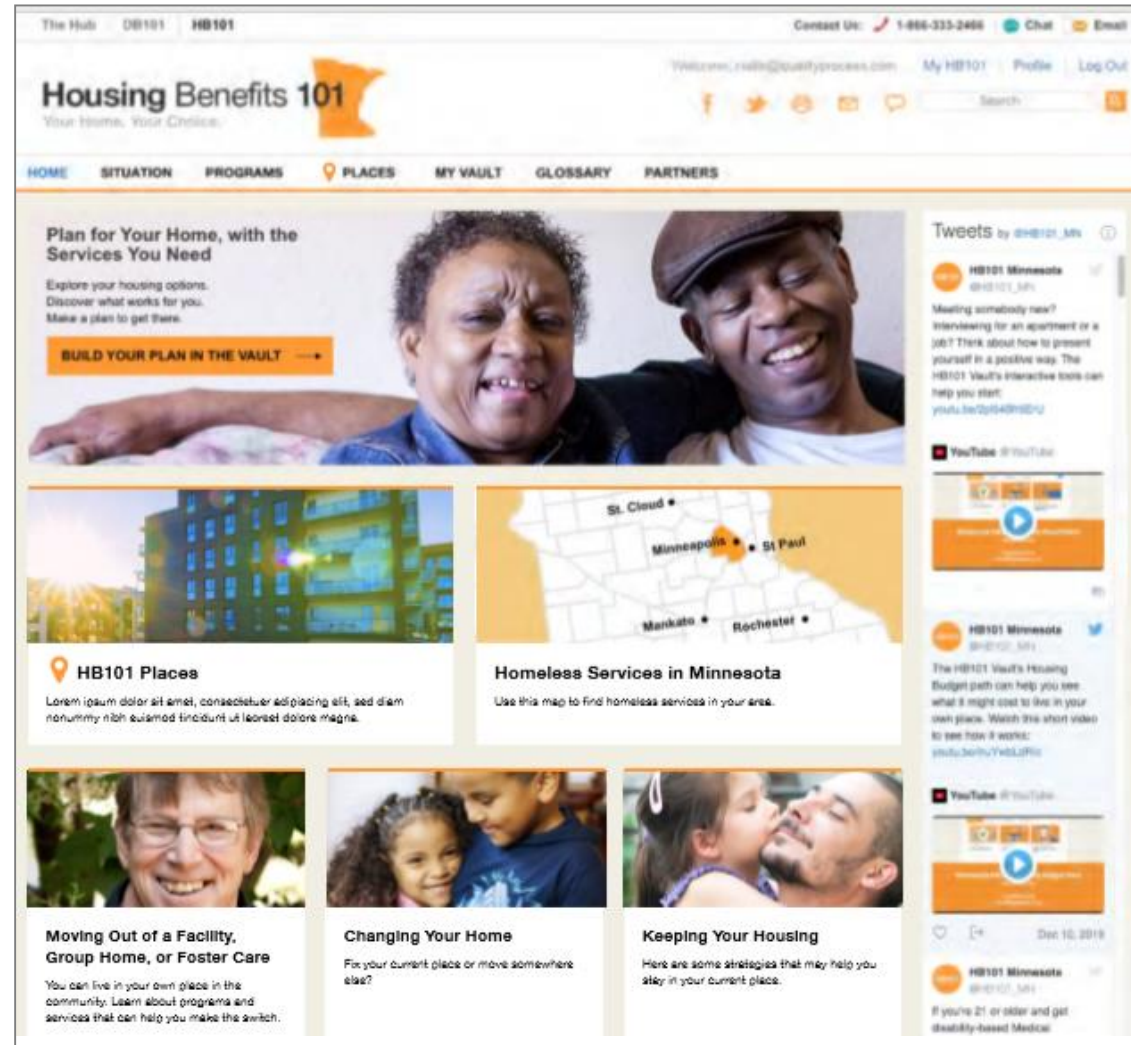

- For people looking for housing with supportive services:
  - One location to see a variety of housing options
  - People can filter their search based on their service
  - Allows efficient connection to Housing Support providers with openings
- For housing providers:
  - Show openings and property details
  - Provide online description of housing and eligibility criteria
  - Reduce calls about vacancies
  - Create a variety of useful reports for business and funding needs

# Why HB101 Places?

- Response to stakeholder feedback
  - Supported by calls from people to DHS looking for connections
- Help people connect statewide to housing with services available
- Part of broader emphasis on housing tools on HB101
  - Information, trainings, videos, planning tools, calculators, vault
- Not the only resource!
  - Example: Hennepin Housing Key
- Starts with Housing Support but it most likely won't end there

# Where Is HB101 Places?

- Integrated with Housing Benefits 101 ([mn.hb101.org](http://mn.hb101.org))
- Accessed from the navigation bar or content section
- Live Demo!

# Right Now

- Search for openings with Housing Support Board and Lodges
  - with and without services
- Also available to Adult Foster Care providers
- Residential Treatment Providers (IRTS, Crisis, and SUD)
  - Connect people to Housing Support providers
    - People without stable housing at exit from treatment have transitional eligibility for Housing Support
- Continuing outreach and enrollment
- Coordination with Hennepin Housing Key
